CornerStone Auto Glass

Glass Installation & Product Warranty Statement

We stand behind the quality of our workmanship and the products we install.

Glass Warranty
All glass products are covered under the manufacturer's warranty provided by our suppliers. Any defects in the glass itself, such as distortion, delamination, or other manufacturer-related issues, will be handled in accordance with the supplier's warranty terms and policies. Some factory/dealer glass may have a limited warranty period.

Installation Warranty
We provide a **lifetime warranty on our installation workmanship**. This covers issues directly related to the installation process, such as leaks, wind noise, or stress cracks determined to be caused by the installation.

Warranty Limitations
This warranty does not cover damage resulting from external causes, including but not limited to:

- Road debris or impact (rock chips, cracks, etc.)
- Accidents or collisions
- Vandalism or misuse
- Environmental conditions or acts of nature

If you experience any concerns, please contact us promptly so we can evaluate the issue and determine the appropriate next steps. Your satisfaction is our greatest concern.
